

KÄHRS CHOSEN FOR GLENEAGLES' DESEO FOOD EMPORIUM

Kährs Walnut Vermont flooring has been supplied and installed by GL Floors of Edinburgh within the new Deseo restaurant at The Gleneagles® Hotel. The dining area forms part of a new Mediterranean Food Market, designed by Sedley Place and fitted out by Bentley's Shopfitting Ltd, for Principle Contractor Rok.

Situated in the rolling hills of Perthshire, only an hour from Glasgow and Edinburgh airports, Gleneagles is world-renowned as being Scotland's leading luxury resort. The AA Five Red Star property offers three of the top 18-hole golf courses in Scotland, as well as a myriad of sporting, leisure and spa facilities within its estate.

Deseo, located adjacent to the spa, pool and leisure area, features an elegant interior design; cream and rich brown tones feature throughout and are complemented by Kährs Walnut flooring.

Kährs Walnut Vermont is a rustic one-strip floor from Kährs American Naturals Collection. It features a bevelled edge, a durable satin lacquer prefinish and glueless Woodloc joint, which allows the boards to be locked automatically into place.
